TBP PIESSLINGER goes international.

"The real paper mills are in the mind. And if they are not in your minds, they are nowhere."[1]

The engineers of TBP PIESSLINGER plan and develop for thinkers in Europe and Asia; in countries such as Slovenia, Turkey, Germany, Austria[2], Poland[2], Sweden, Slovakia, the Netherlands, Indonesia, China, ...

Sooner or later, every thinker consults the brains of TPB PIESSLINGER.
